

# Position Announcement

## Dean of the College of Informatics, National Chengchi University

### The Opportunity

National Chengchi University invites applications and nominations for the position of **Dean of the College of Informatics**. As the chief academic and administrative officer, the Dean provides strategic leadership, oversees the College's diverse portfolio of programs, and reports directly to the President. The initial appointment is for a two-year term, with the possibility of renewal for a second term.

### About the College

Established in 2021 as the eleventh college of National Chengchi University, the College of Informatics is a hub for interdisciplinary excellence and technological innovation. Built upon the foundational strengths of the Department of Computer Science—offering Bachelor's, Master's, and Ph.D. programs—the College has expanded to include cutting-edge programs/institutes in:

- **Undergraduate Level:** Digital Content and Technologies; Artificial Intelligence Applications.
- **Graduate Level:** Information Security; Digital Content (in partnership with the College of Communication).
- **Doctoral Level:** Taiwan International Graduate Program (in collaboration with Academia Sinica and National Tsinghua University).

The College is committed to providing a rigorous, industry-relevant learning environment that bridges the gap between theoretical research and practical application. We seek a visionary leader who is motivated, collaborative, and dedicated to fostering an innovative academic culture.

### Primary Responsibilities

The Dean will be expected to:

1. **Academic Excellence:** Partner with faculty to design, implement, and evaluate academic programs that align with the College's mission and global standards.
2. **Strategic Leadership:** Spearhead strategic planning and continuous improvement initiatives, particularly for cross-disciplinary and emerging programs.

3. **External Relations:** Cultivate and maintain robust partnerships with local communities, alumni, benefactors, and stakeholders across the public and private sectors.

4. **Administrative Oversight:** Manage fiscal planning, budgeting, and personnel actions, while establishing clear policies and procedures to ensure operational efficiency.

5. **Growth & Advocacy:** Demonstrate a steadfast commitment to the excellence, visibility, and long-term growth of the College within the international academic landscape.

### **Application & Nomination Process**

Candidates may enter the selection process through one of the following channels:

- **Recommendation:** Endorsement by a department, institute, or degree program within the College of Informatics.
- **Nomination:** Formal nomination by the Search and Selection Committee (requiring at least one-third consensus).
- **Direct Application:** Independent submission of candidacy.

### **How to Apply**

Interested candidates must submit their application materials (which must be signed by the applicant) in both electronic and hard-copy formats:

- **Electronic Submission:** Send to [niniway@nccu.edu.tw](mailto:niniway@nccu.edu.tw)
- **Physical Submission:** Send via registered mail or deliver in person to:

Ms. Lu (Personnel Office)  
c/o Dean Search and Selection Committee of the College of Informatics  
64, Sec. 2, ZhiNan Road, WenShan District  
Taipei, Taiwan, ROC 116302  
886-2-29393091 ext. 62061

### **Application Deadline: April 30, 2026**
